# CHAIRMAN'S REPORT

It is with great pleasure that I present the 44th Annual report and financial statements on behalf of my fellow directors of Coonamble Bowling Club for the year ended 31st May 2017.

During the past year the club has defiantly maintained a strong financial Position with a profit of \$298,698.00 which is a very positive result for our Members and again demonstrates the strength of the Clubs Position.

A special thanks to all of the board members for their support and assistance through the year. Thankyou also goes to our Manager Tessa Pennell and her fellow hard working staff members.

Special thanks also go to Betty Nicol President of the Women's Bowling Club and Men's Bowls Secretary Allan Albert and their committees for time and effort put into organising Bowls.

Neal Halpon

Noel Hodgson Chairman

# SECRETARY MANAGER'S REPORT

On behalf of the Board of Directors I have the pleasure of presenting the 44th Annual Financial Report.

We have had a fantastic 12 months ending up with a profit of \$298,698.00, \$84,081.00 above last year.

We have been able to financially put back into our local community in the following ways:

- CDSE, General Donations & Sponsorship over \$17,000.00
- Club Promotions over \$65,000.00
- Wages over \$870,000.00
- Local Purchases and Trades over \$610,000.00

I would like to thank the Board of Directors for their help and guidance over the past 12 months, I am very proud of what we have achieved. I look forward to working with you all next year.

To my fellow staff members, I would like to thank you for all your hard work over the past year, without you this result would not be possible. A bigger thank you goes to Leigh Cleary (Bar Manager), Bec Coombes (Cook), and Chris Hall (Chef) for their help in making sure their departments all run smoothly. I would also like to wish Maddie Dewson the best of luck with her Chef's apprenticeship which she is completing here in our bistro. Maddie is the first apprentice Chef to be employed by the Coonamble Bowling Club.

Lastly I would like to thank you our members and guests for continuing to support our club, we have loads of promotions and entertainment coming up for the 2017-2018 membership year.

Kind Regards,

TRANCE

Tessa Pennell Secretary Manager

# DIRECTORS' REPORT

Your directors present their report on the company for the financial year ended 31 May 2017. The names of the directors in office at any time during or since the end of the year are:

Mr Noel Hodgson	Mr Peter Mayoh
Mr Henry Robinson	Mr Dennis Firth
Mr Michael Fletcher	Mr Alan Dodd
Mr Colin McMullen	Mr Allan Albert

Mr Steven Butler

The directors have been in office since the start of the financial year to the date of this report unless otherwise stated.

The profit of the company for the financial year amounted to \$298,698.

No significant changes in the company's state of affairs occurred during the financial year.

The principal activities of the company during the financial year were to provided members and their guests with the usual amenities and facilities usually associated with conducting the game of bowls and other social activities.

No significant change in the nature of these activities occurred during the year.

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the entity, the result of those operations, or the state of affairs of the entity in future financial years.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MAY 2017

### 1 Statement of Significant Accounting Policies

This financial report covers Coonamble Bowling Club Limited as an individual entity. Coonamble Bowling Club Limited is a company limited by guarantee, incorporated and domiciled in Australia.

#### **Basis of Preparation**

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) of the Australian Accounting Standards Board and the Corporations Act 2001.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in a financial report containing relevant and reliable information about transactions, events and conditions. Compliance with Australian Accounting Standards ensures that the financial statements and notes also comply with International Financial Reporting Standards. Material accounting policies adopted in the preparation of this financial report are presented below and have been consistently applied unless otherwise stated.

The financial report has been prepared on an accruals basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

#### Accounting Policies Inventories

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the first-in-first-out basis and is net of any rebates and discounts received.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the costs necessary to make the sale. Net realisable value is estimated using the most reliable evidence available at the reporting date and inventory is written down through an obsolescence provision if necessary.

#### Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost less. where applicable, any accumulated depreciation and impairment.

#### Land and buildings

Land and buildings are measured using the cost model.

#### Plant and equipment

Plant and equipment are measured using the cost model.

#### Depreciation

Property, plant and equipment, is depreciated on a straight line basis over the assets useful life to the Company, commencing when the asset is ready for use.

Leased assets and leasehold improvements are amortised over the shorter of either the unexpired period of the lease or their estimated useful life.

The depreciation rates used for each class of depreciable asset are shown below:

Fixed Asset Class	Depreciation Rate
Buildings	2.5 - 3%
Residence	3%
Sheds & Fences	5%
Plant & Equipment	5 - 40%

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

#### **Financial Instruments**

Financial instruments are recognised initially using trade date accounting, i.e. on the date that company becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

#### Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They arise principally through the provision of goods and services to customers but also incorporate other types of contractual monetary assets.

After initial recognition these are measured at amortised cost using the effective interest method, less provision for impairment. Any change in their value is recognised in profit or loss.

The company's trade and most other receivables fall into this category of financial instruments.

Significant receivables are considered for impairment on an individual asset basis when they are past due at the reporting date or when objective evidence is received that a specific counterparty will default.

The amount of the impairment is the difference between the net carrying amount and the present value of the future expected cash flows associated with the impaired receivable.

In some circumstances, the company renegotiates repayment terms with customers which may lead to changes in the timing of the payments, the company does not necessarily consider the balance to be impaired, however assessment is made on a case-by-case basis.

#### Available-for-sale financial assets

Available-for-sale financial assets are non-derivative financial assets that do not qualify for inclusion in any of the other categories of financial assets or which have been designated in this category. The company's available-for-sale financial assets comprise listed securities.

Available-for-sale financial assets are measured at fair value, with subsequent changes in value recognised in other comprehensive income.

Gains and losses arising from financial instruments classified as available-for-sale are only recognised in profit or loss when they are sold or when the investment is impaired.

In the case of impairment or sale, any gain or loss previously recognised in equity is transferred to the profit or loss.

Subsequent recoveries of amounts previously written off are credited against other expenses in profit or loss.

#### Available-for-sale financial assets

A significant or prolonged decline in value of an available-for-sale asset below its cost is objective evidence of impairment, in this case, the cumulative loss that has been recognised in other comprehensive income is reclassified from equity to profit or loss as a reclassification adjustment. Any subsequent increase in the value of the asset is taken directly to other comprehensive income.

#### **Impairment of Non-Financial Assets**

At the end of each reporting period the company determines whether there is an evidence of an impairment indicator for non-financial assets.

Where this indicator exists the recoverable amount of the asset is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash-generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss, except for goodwill.

#### **Employee Benefits**

Provision is made for the company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability,consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Cashflows are discounted using market yields on high quality corporate bond rates incorporating bonds rated AAA or AA by credit agencies, with terms to maturity that match the expected timing of cash flows. Changes in the measurement of the liability are recognised in profit or loss.

#### Provisions

Provisions are recognised when the company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured at the present value of management's best estimate of the outflow required to settle the obligation at the end of the reporting year. The discount rate used is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the unwinding of the discount is taken to finance costs in the statement of other comprehensive income.

#### **Cash and Cash Equivalents**

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

### **Revenue and Other Income**

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Revenue from the sale of goods is recognised at the point of delivery as this corresponds to the transfer of significant risks and rewards of ownership of the goods and cessation of all involvement in those goods.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument.

#### Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST. The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the statement of financial position.

Cash flows in the statement of cash flows are included on a gross basis and the GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the taxation authority are classified as operating cash flows.

#### **Comparative Amounts**

Comparatives are consistent with prior years, unless otherwise stated.

Where a change in comparatives has also affected the opening retained earnings previously presented in a comparative period, an opening statement of financial position at the earliest date of the comparative period has been presented.

#### 15 Financial Risk Management

The company is exposed to a variety of financial risks through its use of financial instruments.

The company's overall risk management plan seeks to minimise potential adverse effects due to the unpredictability of financial markets.

#### **Financial Assets**

Cash and cash equivalents	2,284,458	1,775,598
Loans and receivables	2,923	14,847
Total Financial Assets	2,287,381	1,790,445

#### **Financial Liabilities**

Trade and other payables	57,924 55,93	71
The company does not have any deriva	ative instruments at 31 May 2017.	

#### **Objectives, Policies and Processes**

Risk management is carried out by the company's risk management committee under the delegated power from the Board of Directors. The Finance Manager has primary responsibility for the development of relevant policies and procedures to mitigate the risk exposure of the company, these policies and procedures are then approved by the risk management committee and tabled at the board meeting following their approval. Reports are presented at each Board meeting regarding the implementation of these policies and any risk exposure which the Risk Management Committee believes the Board should be aware of. Specific information regarding the mitigation of each financial risk to which company is exposed is provided below.

The company does not hold any financial assets with terms that have been renegotiated, but which would otherwise be past due or impaired. The other classes of receivables do not contain impaired assets.

#### Fair Values

The fair values of financial assets and financial liabilities are presented in the following table and can be compared to their carrying values as presented in the statement of financial position. Fair values are those amounts at which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties in an arm's length transaction.

Fair values derived may be based on information that is estimated or subject to judgment, where changes in assumptions may have a material impact on the amounts estimated. Areas of judgment and the assumptions have been detailed below. Where possible, valuation information used to calculate fair value is extracted from the market, with more reliable information available from markets that are actively traded. In this regard, fair values for listed securities are obtained from quoted market bid prices. Where securities are unlisted and no market quotes are available, fair value is obtained using discounted cash flow analysis and other valuation techniques commonly used by market participants.

# DIRECTORS' DECLARATION

The directors of the company declare that:

- 1 The financial statements and notes, as set out on pages 1 to 21, for the year ended are in accordance with the Corporations Act 2001 and
  - comply with Accounting Standards, which, as stated in basis of preparation Note 1 to the financial statements, constitutes explicit and unreserved compliance with International Financial Reporting Standards (IFRS); and
  - (b) give a true and fair view of the financial position and performance of the company.
- In the directors' opinion, there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF COONAMBLE BOWLING CLUB LIMITED

### ABN 99 000 972 172

#### **Report on the Financial Report**

We have audited the accompanying financial report of Coonamble Bowling Club Limited which comprises the statement of financial position as at 31 May 2017 and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

#### **Directors' Responsibility for the Financial Report**

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error. In Note 1, the directors also state, in accordance with Accounting Standard AASB 101: Presentation of Financial Statements, that the financial statements comply with International Financial Reporting Standards (IFRS).

#### Auditors' Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Independent

In conducting our audit, we have complied with the independence requirements of the Corporations Act 2001. We confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of the company, would be in the same terms if given to the directors as at the time of this auditor's report.

#### Audit Opinion

In our opinion:

- (a) the financial report of Coonamble Bowling Club Limited is in accordance with the Corporations Act 2001, including:
  - giving a true and fair view of the company's financial position as at 31 May 2017 and of its performance for the year ended on that date; and
  - (ii) complying with Australian Accounting Standards and the Corporations Regulations 2001; and
- (b) The financial report also complies with International Financial Reporting Standards as disclosed in Note 1.
